## 1. CAMPAIGN HEADING

Security system donation campaign to Sri Dharmarama Vidyalaya, Ratmalana.

## 2. ONE LINER (TAG LINE)

“Help to protect our school and ensure the safeguard of our students”

## 3. OUR PROJECT

Our school is one of the oldest schools in the country with a proud history of 144 years. At present, our college is developing as a primary school and has provided many facilities for the education of children. Our school educates students from age 5 to 10 in this area. The majority of them come from lower-income families. The school is situated in a highly populated area since Ratmalana is an industrial area. Due to the economic crisis in the country, thievery and robbery have increased immensely. Therefore, the menace of thieves is severe in our area, and protecting the school has become a problem. As a solution, it was suggested to install a CCTV system.

Therefore, we decided to raise funds to accomplish this task as it is difficult for us to find the required amount. This project will be supervised by the Zonal Educational Office, Piliyandala.

CCTV Camera Systems cost a significant amount of money. We hope that your kind donations will enable us to purchase this system. Therefore, each donation matters.

Thank you!
